

A NEW BOOK AND MOVIE DVD BY DR. FIKRE TOLOSSA

Dr. Fikre Tolossa has released his book, *The Hidden and Untold History of the Jewish People and Ethiopians*, and his feature film, *Multicolored Flowers*, both in print and electronically.

Did you know that Melchizedek, builder and King of Jerusalem, the father of Ethiop, the forefather of Ethiopians, and Abraham, the forefather of the Jews, were friends as far back as 4000 years ago? Did you know that Abraham and kings in Palestine bowed to Melchizedek, the High Priest and King of the Most High God, and paid him tithes in return for his blessings?

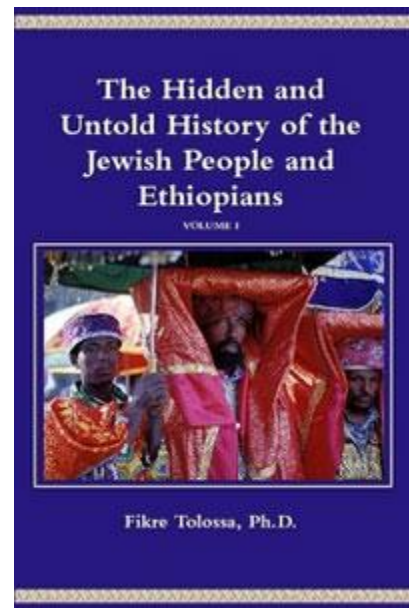

Did you know that in the veins of the Lord Jesus Christ did flow Ethiopian blood because he descends from King David whose mother, Adoli called by us Hable', and whose great grandmother, Ruth, were Ethiopians?

Did you know that it was Ruth who designed and created the famous "Star of David", which is the emblem of the Jewish people? Did you know that Isaiah the Prophet lived in Ethiopia for three years? Did you know that Ethiopia translated the important books of the Old Testament Bible from Geez to Hebrew and gave them to the Jewish people when they returned to Jerusalem without any books from their 70 years of slavery in Babylon?

And as such, did you know that the world owes Ethiopia a gratitude for preserving the Bible and other books? Did you know that Moses, Joshua and Samuel the Prophet acknowledged the existence of special books now lost to the world? Did you know that these books were found 40 years ago in Geez in the ruins of an ancient Ethiopian church in Nubia (today's Sudan)?

Did you know that Jehthro, the High Priest of Median, and later Emperor of Ethiopia, whose daughter Moses married and begot two boys, trained Moses how to be a priest and taught him how to establish the structure of a court?

Did you know that Africa was called Africa because of Ethiopian Afars otherwise known in the Bible as Afriscans?

Did you know that “Asia” bears the name of the greatest Ethiopian Emperor whose throne name was “Asia-el”?

To know the details of the above and more, check out the book *The Hidden and Untold History of the Jewish People and Ethiopians*, by going to www.ethiojewish.com.

Did you know that Rap music has its roots in the African and Ethiopian “Fukera” chants? Did you know Afro-hair-styles, bandana, braids, doo-rag, fantastic dances and drum-beats originated in Africa? Did you know that, if, in the past, blacks “acted white” to fit in, now whites “act black” for the same reason, because times are changing? To find out more about these, please check out the movie “Multicolored Flowers” at “Multicoloredflowers.com” where you will find it in DVD format.

'Multicolored Flowers,' is a feature film written, produced and directed by Dr. Fikre Tolossa. It is the saga of a white, conservative family from Utah and a radical black family from California. It is a coming-of-age family movie with satirical overtones and undertones which was highly acclaimed by the San Francisco Film Festival.
